

EvangelismSHIFT

You have been Sent!

In 2019 John North talked about being sent into the world. "As the father has sent me, even so I am sending you." John 20:21. This is the basis of EvangelismSHIFT.

EvangelismSHIFT provides the framework churches need to develop their congregations for witness. If we hope to reach our nation for Christ, *we must begin developing believers into effective witnesses in their daily lives and relationships.*

Ambassadors for Christ Canada is uniquely positioned to respond to this need. Through a two-year relationship with your church EvangelismSHIFT will provide the framework your church needs to develop your congregation for witness. In this process:

1. Individuals will be trained and equipped to be effective witnesses for Jesus in the normal, everyday application of their lives.
2. Your church will become part of a movement of churches across the world, whose people have a culture of living as witnesses for Jesus.

"Our church will never be the same again."

In 2020 EvangelismSHIFT is launching in Canada

We pray that you will not only catch a vision for what God can do in your church, but also for what He can do across Canada as congregations develop a culture of evangelism.
